

## FCA Athletic Boosters add value . . . .

Booster members rally together to provide assistance with equipment, refreshments, encouragement, and funding for Fairfield Christian Academy athletics. FCA Booster proceeds enable FCA athletics to reach higher levels of excellence. Improving the facilities, equipment, and support of FCA athletic programs enhances the experience for athletes and spectators. FCA athletic boosters partner with the coaches, players, and school to help provide additional support for FCA athletics. Booster membership and involvement are beneficial and essential to present and future teams of Fairfield Christian Academy. Booster members share the fun and responsibilities of a few well organized profitable events to raise funds each year. The value of the fellowship and stewardship of being a member of FCAAB is "priceless". Please renew or begin your membership today!

### These 2010 Events raised over \$20,000!
